

## 2012-13 Intersegmental General Education Transfer Curriculum (IGETC) University of California or California State University

**THE IGETC REQUIREMENTS MAY CHANGE EACH YEAR.**

It is the student's responsibility to check with a counselor each year for updated IGETC information.  
See a counselor prior to transfer concerning certification.

Completion of ALL the requirements (full-certification) in the IGETC will permit a student who transfers from a community college to a campus in either the California State University or University of California system without the need, after transfer to take additional lower-division general education courses. Students must meet with a counselor to request the IGETC Certification. **All courses must be completed with a "C" grade or better.**

NOTE: The IGETC is NOT appropriate for certain majors and/or campuses. Please consult with a counselor.

\*\*Courses are listed in more than one area but can only be used once to satisfy a requirement.
