   c. Review Committee Charge

The Matriculation committee reviews the SCC Matriculation Plan and informs revision of its component standards. In alignment with the college mission, values, and goals, the shared governance process, and the District Matriculation Committee, the committee evaluates, provides feedback, and makes recommendations in areas including admission, orientation, assessment, advising and counseling, and other matriculation activities. The committee sets goals for fully implementing matriculation at Sacramento City College, identifies needs in the matriculation process, and initiates programs that will address these needs.

2. MyPath - K. Goff (20 minutes)

3. Future of Matriculation & Student Success - K.Tercho (25 minutes)
   - Consideration of name change and revision of committee charge; explore possibilities of merging with Student Equity committee
   - Rationale: District Matric is realigning duties, changing its name, and incorporating student equity into the committee charge. Statewide, plans have been combined (student equity, SSSP, Basic Skills). Finally, ideally Matric will work closely with Guided Pathways Onboarding group.
   - Changes to college governance / standing committees - possibilities of collaboration with SCC Student Equity, Pathways Onboarding Workgroup
   - Determine next steps and to-dos
