1. Normal Business – K. Tercho (5 min)
   a. Meeting called to order
   b. Introduction of Committee Members

2. MyPath - K. Goff (20 minutes)
   - Hosted by CCC Tech Center; an engagement tool for students, post-application (currently we don’t do a very good job with this).
   - CCC Apply has been improved - better interface, more ethnic categories. After completing the application, students are now redirected to MyPath.
   - MyPath is a career exploration tool for students; has lots of features
   - CCC has already mapped the site to our location based on SCC majors (students enter their location; SCC information is populated)
   - Now that MyPath will be connected to SCC, we will customize the site to SCC - resources will be relevant to what students put on their application - e.g. if student is a veteran, resources for veterans will appear.
   - Career assessment, powered by Career Coach; there are 2 quizzes (one of them is 6 questions; the other is 60 questions). Quizzes could be used by counselors / for HCD classes.
   - Students will be able to explore careers and majors, narrowed down by geographic location
   - Kim and others (including Mary Sue Allred, Linda Delgadillo, Kaitlin MacGregor) will be working on this in Spring 2019
   - Part of a larger question: how do we make the SCC website more welcoming for brand new students? We need this to be more obvious for potential / new students
   - Sierra College version of MyPath is shown - noted that Sierra has hired a vendor to help design and run their website - Program Finder is how potential students find MyPath
- Question raised about separate passwords for CCC Apply / MyPath versus Los Rios credentials. Answer - we will have the data from MyPath; potentially in future we will have this via StarFish
- Overall this will improve potential students’ online experience and our engagement opportunities
- Brief discussion of SCC website needing redesign

3. **Future direction of Matriculation & Student Success Committee** - K. Tercho (25 minutes)
   - Consideration of name change and revision of committee charge; explore possibilities of merging with Student Equity committee and future collaboration with Pathways Onboarding Workgroup (2, 3, 5)
   - Rationale: District Matric is realigning duties, changing its name, and incorporating student equity into the committee charge. Here is the draft language proposed by DMSSC for changes to name and purpose of committee:
     - District Equity and Student Success Committee (DESSC) Purpose: To provide recommendations to the District Academic Senate and advise the Board of Trustees or its representatives on matters affecting District-wide issues of equity in our educational system and those of student support services and technologies designed to onboard students and move them through to completion.
   - Statewide, plans have been combined (student equity, SSSP, Basic Skills). Finally, ideally Matric will work closely with Guided Pathways Onboarding group.
   - Matric members generally agree that combining committees is a good idea.
   - Discussion around whether the “Matriculation” mission of the committee needs to be a priority? Four pillars of Pathways is addressing this, e.g. Onboarding group
   - When does Student Equity meet? First Fridays 11-12:30
   - Next steps: Meet with Student Equity Tri-Chairs and write a plan; ask College Council, Academic Senate & Classified Senate to review plan.

Future Agenda Items:
- Future direction of Matriculation & Student Success Committee
- Los Rios College Promise – Miguel Molina
