

**Sacramento City College**  
**2013-2014**  
**Intersegmental General Education Transfer Curriculum (IGETC)**  
**University of California or California State University**

THE IGETC REQUIREMENTS MAY CHANGE EACH YEAR.  
 It is the student's responsibility to check with a counselor each year for updated IGETC information.  
 See a counselor prior to transfer concerning certification.

Completion of ALL the requirements (full-certification) in the IGETC will permit a student who transfers from a community college to a campus in either the California State University or University of California system without the need, after transfer to take additional lower-division general education courses. Students must meet with a counselor to request the IGETC Certification. All courses must be completed with a "C" grade or better.

NOTE: The IGETC is NOT appropriate for some majors and/or campuses. Please see a counselor.

\*\* Courses are listed in more than one area but can only be used once to satisfy a requirement.
